

LPS GLOBAL SCHOOL, NOIDA

REPORT FOR THE MONTH OF DECEMBER 2018

“From every ending comes a new beginning.”

--Lurlene McDaniel

As the year was drawing to a close, the month of December was abuzz with activities to create responsible and confident learners.

ACADEMICS

- **Assessment Cycle III** was held for Classes I-VIII to assess the learning of students. The tests were held on every Monday of the month.
- **Maths Olympiad (IMO)** was conducted in the school on **December 13** by SOF.
- Online **Maths Assessment Test** was conducted by NIIT on **December 14**. It was conducted in the Computer lab for all the students of classes I to VIII. Results were declared on the spot.
- Syllabus for **Unit Test IV** has been given to the students of classes **V-VIII**.

CO-CURRICULAR

- First **Young Chefs at Work Competition** was organised on **December 7**. The theme was Non-Fire Cooking. Students prepared dishes like Sandwiches, Papdi Chaat, Fruit Fritters, Corn Salad, Srikhand, Dip with Nachos, Coconut Laddoo, Biscuit Cheesecake, Salad and Stuffed Potatoes. This Inter-Class Competition was judged on the following parameters:

1. **Hygiene**
2. **Cleanliness**

- A **Rhyme Competition** was held on **December 11** for the tiny tots of **Pre-Nursery Class**. A list of rhymes, taught to the students in the class, was given to the parents. Parents made their wards practice any one of the given rhymes and prepared them for the class recitation. Children actively participated in the competition. Certificates of participation and crayon sets were given as a token of appreciation to all the students.

- “When we plant a tree, we plant the seed towards peace and hope.” In an effort to create awareness amongst the students protecting the environment through personal involvement, LPS global school conducted “**Go Green Kids Programme**” on **December 14**. Under this programme the following activities were conducted:

Classes I to III	Grow it yourself	Students observed the process of germination.
Classes IV to VIII	Grow a plant head	Students observed the germination process and created different characters using old nylon stockings.
Classes II to VIII	“Each one plant one”	Students of classes II to VIII brought a pot with a sapling. The sapling will be nurtured by the student. This activity fostered the seeds of responsibility towards environment. Few suggested plants were English Ivy, Snake cactus, Money plant

SPECIAL ASSEMBLIES

- Christmas is a time to give, forgive and share. Celebrated everywhere as a joyous affair, LPS GLOBAL SCHOOL celebrated Christmas with great zeal and fervour. The school campus was beautifully decorated with Christmas trees. The children came decked up in colourful attire and were seen sporting the colours of Christmas.

- **Christmas Special Assembly** was held in the school on **December 24**. The assembly commenced with Gayatri Mantra and **morning prayer** which was followed by the **thought of the day** spoken by Dibyanshu and Ahana of class 1 and the **news** delivered by Deepanjan of class IV. A **speech** on the importance of Christmas was delivered by Priyal of class III. The students of classes VII and VIII presented the **carol** 'Silent Nights' which was followed by a **dance performance** by the students of class V. Neil and Kartik of class VI and Devasya of class VII dressed up as Santa and entertained the students and distributed sweets to them. The students of the pre-primary wing presented a skit and a song depicting the birth of Jesus Christ. The tiny-tots also gave a dance performance. The students were addressed by the Principal who narrated the story of Nativity and told them about the joy of giving. The assembly concluded with Christmas carol singing by all the students and staff members followed by national anthem.

TRIPS AND EXCURSIONS

- Religious harmony is a concept that indicates love and brotherhood among different religions. To imbibe respect for others, regardless of their beliefs, race or social status in our diverse society, children need an understanding of other principal religions. The student of Pre Nursery –K.G went on educational trip to “Immanuel Mar Thoma Church” on **21st December 2018** along with their teachers and nannies. The Father welcomed them and explained the importance of Christmas. The children were very excited to meet Santa. They danced with Santa and received cakes and candies.

- A trip to **Lodi Gardens** was organised on **15th December 2018** for the students of classes I-VIII and the staff members. Two buses transported the students to and from the venue. All the students, guided by Ms Asha Yadav and Ms Chitra Joshi, took a tour of the gardens and learnt about the importance of the tombs and the structures of historical and archeological importance. Everyone enjoyed the warm sun on the winter morning. They played games like frisbee, cricket, badminton etc. during the picnic. The trip ended with every one having a gala time filled with fun and frolic.

- A workshop was conducted by **Ms Anju Tiwari** and **Ms Benu Sidhu** on **2nd December 2018** on **Six Core Skills for Enhanced Learning in Classroom** as suggested by the **British Council**. They explained how leadership, critical thinking and citizenship qualities can be developed in the students during classroom teaching. They performed different interactive activities to explain that how core skills can be incorporated in a class.
- **Ms Sonia Sharma** and **Ms Shivani Kalia** conducted a workshop on “**New ways of Teaching English in a Classroom**” on **2nd December 2018**. The skills required for effective teaching of English language were discussed at length. This was followed by different interactive sessions which was appreciated and well received by all the teachers. Different ice-breaking games were also conducted.
- A workshop was conducted by **Ms. Divya Agarwal**, Head of Content Development at **Oxford University Press, India** on **20th December 2018** at Pragyan School, Greater Noida. **Ms Neha Sahni** attended the workshop. The session started with the inauguration of Oxford new thematic based books by the name of Oxford Advantage - Little Champs for the pre-primary classes. During the session, she explained that oxford advantage is an integrated learning solution which includes learning platform and teaching solution and is aligned to the NCERT guidelines. A description about the learning materials, digital resources, mobile apps for teachers, students and parents, teaching resources, teacher’s manual were shared.
