### ACADEMICS

- **Assessment Cycle IV** was conducted for the students of classes I-IV which gave an opportunity to teachers to assess each child's progress and also focus on the areas in the curriculum where they need more inputs.
- Teachers explicitly reviewed the entire syllabus for the **Final Examination** to be conducted from **March 6, 2019** with students and helped them begin building a positive and collaborative learning environment.
- Balanced and integrated emphasis on **scholastic and co-scholastic** areas is essential for enriching and enhancing learning experiences of students. In association with **Science Olympiad Foundation**, the school conducted English, Science, Mathematics and Cyber Olympiads which provided students with unique competitive platform that aimed to help identify the young geniuses and create a talent pool for the future. **International English Olympiad** was conducted on October 11, 2019 with 20 participating students. **National Science Olympiad** was conducted on November 1, 2019 wherein 20 students appeared. **International Mathematics Olympiad** was conducted on December 13, 2019 with 30 participating students. National Cyber Olympiad was held on January 31, 2019 with 9 participating students.

### Only Children Believe They Are Capable of Achieving Everything -Paulo Coelho

- The LPS Global School organized its 2<sup>nd</sup> annual art exhibition on February 23, 2019. The objective of the exhibition was to provide a platform for creative thinking and expression, and to actualize the concepts and knowledge learned. The exhibition was inaugurated by our chief guest Air Marshall Ramesh Rai who was accompanied by his wife Mrs. Rai our school Chairman Mr. Manish Yadav, Vice Chairman Mr. S.C Arora, CCO Ms. Pammi Arora and our dear parents. All the guests were greeted with scores of bright and colorful art work of all shapes and sizes. Student's creativity and their talents were portrayed through the medium of various subjects like English, Hindi, German, Social Science, Science, Mathematics, IT, and art and craft. It was an unforgettable feast for the eyes. Upon entering each and every assigned venue, one could feel the pulse and magnitude of the event. The entire campus was abuzz with energy and enthusiasm. The event ended with a short classical dance performance by the students which was highly enjoyed by the audience and served as a wonderful note to end the day's proceedings. 'éclat' was a mesmerizing experience for all present and a reiteration of the fact that when the young minds are given the correct platform and guidance, they can work wonders.

## Always Learnig & Achieving Together

**Show and Tell** taps into children's natural curiosity of asking questions. This kind of positive interaction builds confidence and self-esteem of all children and gives them a chance to be the centre of attention which in turn makes them confident and self-assured.

**Show and Tell** is a key part of our pre-primary curriculum, Hence an Inter Class Competition for the same was conducted on February 1, 2019. The topics chosen for the event were as per the children's interest. Children were thrilled and participated whole heartedly with creative and innovative aids and won everyone's admiration and appreciation along with certificates and medals.

## SPORTS DAY

### No Goal Was Ever Met Without A little Sweat

- Sports build good habits, confidence, and discipline. They make players into community leaders and teach them how to strive for a goal, deal with mistakes, and cherish growth opportunities. The school organized its **2<sup>nd</sup> Annual Sports Day** for the senior as well as pre-primary wing on **February 2 & 4, 2019** respectively to encourage sportsmanship among its students.

The event turned out to be a huge success. The gathering was welcomed by our school Chairman Mr. Manish Yadav, Vice-Chairman Mr. S.C. Arora, Chief Cordinating Officer Mrs. Pammi Arora and Principal Mrs. Mahuya Mandal. The day was full of fun, cheer, exciting games and great exhibition of sportsmanship qualities by young students. Children participated in various events including musical yoga displaying various asanas, hula hoop, dumb bell drill, free hand drill, fun races and a scintillating dance performance.

All the students demonstrated amazing agility, coordination and keenness in their participation. The day turned out to be a glorious day of sport and fun.
